Name and date

1 What have you learned, and what stands out for you now about learning from diversity?

Look back over your notes. What do you want to do about it?

2 Which take-away from others would you like to borrow?

Note the idea and why it matters to you.

3 What will you start, do differently, or hold close?

Keep it small and concrete. Note when you will start and who, if anyone, will know about it.

4 Looking back: what happened?

Pick a date to look back, perhaps a week from now. Then note what you did, what got in the way and what you learned.
